

2009-2010 analysis: Congratulations to the following Posts who achieved 100% + of their membership goals-

Glendale 0104
Leonard 0422
Far Rockaway 0423
Wallace 1630
Benjamin Moore 1946
Breezy Point 1847.

Congratulations to all- a job well done. For this year, Queens County goals were 3403, of which we reached 3146 in membership. We were down 257 members, and had a 92.45 percentage of our goal. Nassau County achieved 94.29% and Suffolk County achieved 96.93% of their respective goals. Clearly we can do better. For the entire county, we only had 51 new members. I would ask each and every Post to actively recruit. Please do not take the "last man standing" approach. Even if you do not have Post building and meet elsewhere, recruit new members. Evaluate your programs and get involved in American Legion activities, to attract new members. Advertise in your local newspapers, Church bulletins (which is generally free) to recruit. We can do this!

Our goal is: RECRUIT RETAIN REINSTATE MEMBERS
